If you have a Kindle, you may now check out ebooks from our WILBOR collection. The directions are linked on the front page of our web page [www.carroll-library.org](http://www.carroll-library.org). We've tried it with a couple of patrons and it seems to work very easily. You check out the book through WILBOR and it takes you to your account on Amazon for the download. That's pretty exciting news and we hope you will take advantage of this new offer. If you need assistance, please call and we'll walk you through the process. 792-3432.
